Lead - - ing the way!

Dm G7 C

This edition is a synthesis of two of Arletta's original manuscripts: Her solo with accompaniment and her lead sheet. The song was inspired by a poem Elinore Coogan wrote based on Lee Clements Meyer's Founder's Day message in 1987. Lee, Phi Xi, was International President from 1986-1992. Arletta was initiated through the chapter at Portland State University as an alumni member in 1985. A well-known jazz composer, pianist and pedagogue, she has written numerous works for piano students published through Neil A. Kjos Music Publications and was the primary author of the jazz syllabus for the Oregon Music Teachers Association (MNTA).
